# In The Midnight Hour Wilson Pickett (1965)

I'm gonna wait till the midnight hour

That's when my love comes tumbling down

I'm gonna wait till the midnight hour

When there's no one else around

I'm gonna take you girl and hold you

And do all the things I told you

In the midnight hour

Yes I am

Ooh yes I am

One more thing I just want to say right here

-----

I'm gonna wait till the stars come out

And see that twinkle in your eyes

I'm gonna wait till the midnight hour

That when my love begins to shine

You're the only girl I know

That can really love me so

In the midnight hour

Oh yeah ..In the midnight hour

Yeah, alright, play it for me one time

[Solo] C F C F C A# G7 C F C F C A# G7

I'm gonna wait till midnight hour

That's when my love comes tumbling down

I'm gonna wait, way in the midnight hour

That's when my love begins to shine

Just you and I.....Ooh baby

Ah, Just you and I

Nobody around baby, just, you and I. Alright

You know, I'm gonna hold you, in my arms....

Just you and I; Ooh yeah, in the midnight hours

Oh baby, in the midnight hours
