

# Start again

Teenage Fanclub

## Capo 5th

**G D C G**

I don't know if you can hear me

**G D C G**

I'm feeling down and can't think clearly

**C**

Even though it's complicated

**Am D**

We've got time to start again

**G D C G**

I don't know if you can hear me

**G D C G**

Some things I'd change but it's too late

**G D C G**

I'd take the past and make it straight

**C**

Even though it's complicated

**Am D**

We've got time to start again

**G D C G**

I don't know if you can hear me

**G D C G**

I'm sorry for the things I've said

**G D C G**

But some thoughts just won't leave my head

**C**

Even though it's complicated

**Am D**

We've got time to start again

**G D C G**

I don't know if you can hear me

**G D C G**

**G D C G**

**C**

Even though it's complicated

**Am D**

We've got time to start again

**G D C G**

I don't know if you can hear me

**Instrumental**
