STRUMMING

There is no strumming pattern for this song yet. Create and get +5 IQ

My thanks go to BB John.
Standard tuning

[Intro]
E A E

[Verse 1]
E A E
I was a sailor, I was lost at sea
E A E
I was under the waves, before love rescued me
E A E
I was a fighter, I could turn on the threat
E N.C.
Now I stand accused of the things I've said

[Chorus]
A
Love comes to town, I'm gonna jump that train
E
When love comes to town
A
I'm gonna catch that plane
E
Maybe I was wrong to ever let you down
E N.C.
But I did what I did before love came to town

[Interlude]
E A E

[Verse 2]
E A E
Used to make love under a red sunset
E A E
I was making promises I was soon to forget
E A E
She was pale as the lace of her wedding gown
E N.C.

But I left her standing before love came to town.

[Verse 3]

E **A** **E**
 Ran into a juke joint when I heard a guitar scream
E **A** **E**
 The notes were turning blue, I was dazed and in a dream
E **A** **E**
 As the music played I saw my life turn around
E N.C.
 That was the day before love came to town

[Chorus]

A
 When love comes to town, I'm gonna jump that train
E
 When love comes to town
A
 I'm gonna catch that plane
E
 Maybe I was wrong to ever let you down
E N.C.
 But I did what I did before love came to town

[Solo] (The Edge)

[Chorus]

A
 When love comes to town, I'm gonna jump that train
E
 When love comes to town
A
 I'm gonna catch that plane
E
 Maybe I was wrong to ever let you down
E
 But I did what I did before love came to town

[Solo] (B.B. King)

[Verse 4]

E **A** **E**
 I was there when they crucified my Lord
E **A** **E**
 I held the scabbard when the soldier drew his sword
E **A** **E**
 I threw the dice as they pierced his side
E N.C.
 But I've seen love conquer the great divide

[Chorus]

A
 When love comes to town, I'm gonna catch that train
E
 When love comes to town
A
 I'm gonna catch that plane
E
 Maybe I was wrong to ever let you down
E N.C.
 But I did what I did before love came to town

[Solo] (B.B. King)
