You might think I'm [G] crazy, to [A] hang around with [D] you.

Maybe you think I'm [G] lucky, to [A] have something to [D] do.

But I [Bm] think [A] that you're [G] wild,

In- [Bm] side me [A] is some [G] child.

Chorus1:

[D] You might think I'm [G] foolish,

Oh [A] baby it's un- [Bm] true.

[D] You might think I'm [G] crazy,

[A] All I want is [D] you. [D] [D] [D] [Dmaj7] [D]

You might think it's hys- [G] terical, but [A] I know when you're [D] weak.

You think you're in the [G] movies, and [A] everything's so [D] deep.

But I [Bm] think [A] that you're [G] wild,

When you [Bm] flash that [A] fragile [G] smile.

Chorus2:

[D] You might think it's [G] foolish,

[A] What you put me [Bm] through.

[D] You might think you're [G] crazy,

[A] All I want is [D] you. [D]

Bridge:

And it was [Bm] hard, [G] so [A] hard to [Bm] take,

[G] There's [A] no es- [Bm] cape, [G] with- [A] out a [Bm] scrape.

[G] [A] [Bm] [N/C] But you kept it going, 'till the sun fell down, [Bm] (strum once & mute)

[N/C] You kept it going. (Intro)

Well you might think I'm de- [G] licious, the [A] way I run you [D] down.

But somewhere, sometimes, [G] when you're curious, [A] I'll be back around. [D]

And I [Bm] think [A] that you're [G] wild,

And [Bm] so-o un- [A] iquely [G] styled.

Chorus3:

[D] You might think it's [G] foolish,

[A] This chancy rendez- [Bm] vous.

[D] You might think I'm [G] crazy,

[A] All I want is [D] you. [D] [D] [D] [Dmaj7] [D]

[G] All I [A] want is [Bm] you.

[G] All I [A] want is [D] you.
